

1060 Wellington Road Narre Warren East VIC 3804 T: 03 9554 2000 sales@specialitytrees.com.au www.specialitytrees.com.au

| Description       This is a red flowering seed selection of Eucalyptus leucoxylon 'Euky Dwarf'. Growing to a height of 7-8 metres, its attractive foliage, compact height and drought tolerance makes it a perfect native selection for urban areas - in streets and landscapes where dappled shade is required.         Foliage       € Evergreen         Form       ♠ Oval         Mature Size       7 x 4m         Uses       Great for landscapes, streetscapes, carparks, parks and gardens.         Position & Soil       Being a native, this selection is tolerant of most soil conditions, but preference is for full sun and a well drained soil.         Features       ⑤ Small         € Evergreen       ♠ Oval         ♠ Native       ♠ Shade Tree         Pot sizes in production       • 40cm/27L (1.2-1.5m) | Tree                    | Eucalyptus leucoxylon 'Euky Dwarf Scarlet'  EUKY DWARF SCARLET   |
